Thermory Premium Black door

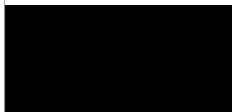

TRENDLINE BLACK

Our Trendline Black door is made from elegantly gray-tinted glass that blocks harsh light and neatly separates the sauna's interior from its surroundings

without blocking visibility in and out, with the wooden frame, round doorknob and magnetic catch all in luxurious black.

PREMIUM BLACK

With its attractive black wooden frame and dark tinted glass, the Premium Black door's stylish, executive look is finished perfectly by the ergonomic handle,

which is made from stainless steel on the outside and wood on the interior to protect your hands from the heat of the sauna.

DOOR MAINTENANCE

1. Regularly check the condition of the hinges and lock fastenings. If necessary, tighten the hinge bolts or adjust the lock.
2. Avoid water constantly running on the door frame and excessive moisture.
3. Clean the door glass regularly using a glass cleaner. Avoid abrasive cleaning products that could damage the glass surface.

Thermory Classic Black door

ADDITIONAL INFORMATION

- All Thermory doors come right-handed as standard but can be altered during installation
- Please contact our sales department for additional information about our prices and terms.
- We also manufacture doors with frosted glass, special sizes and other made-to-order details on request.
- You can find the perfect solution for your sauna room by combining various quality handles and locks.

Thermory's installation and maintenance instructions can be found on our website www.thermory.com.
