

TECHNICAL DATA SHEET

Product type:	Worktop model 6060
Product size:	28 x 610 x 2600mm
Core material:	Raw chipboard P2 according to EN 312
Surface:	CPL laminate according to EN 438, thickness 0,5mm
Gluing:	D3 in accordance with EN 204
Reverse:	Moisture-resistant paper balancer
Profiled edge:	Postforming profile 6060 as in the drawing below
Nose:	Chipboard P2, width 28mm
Side edges:	Sanded clean-cut
Back edge:	Moisture-resistant paper balancer
